8 types of Ingredients

Antioxidant and Deep Moisturization

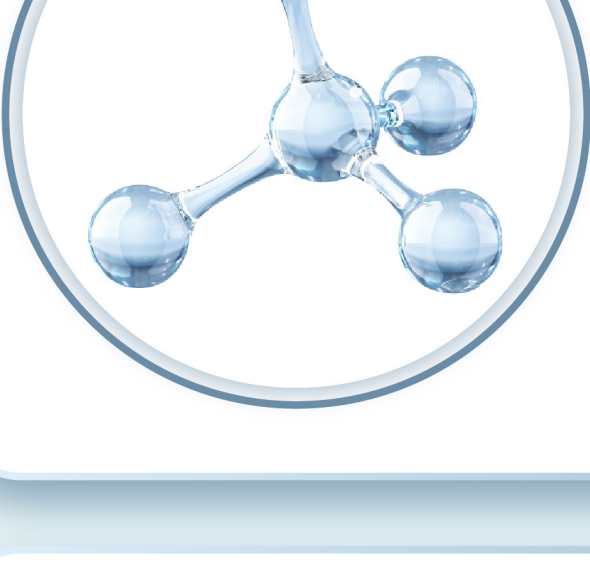

Caulerpa Lentillifera Extract

- Attracts and retains moisture in the skin.
- Neutralizes free radicals and prevents premature aging.
- Reduces skin irritation and redness.

Prunus Persica (Peach) Gum Extract

- Tightens and lifts skin, reducing fine lines and wrinkles.

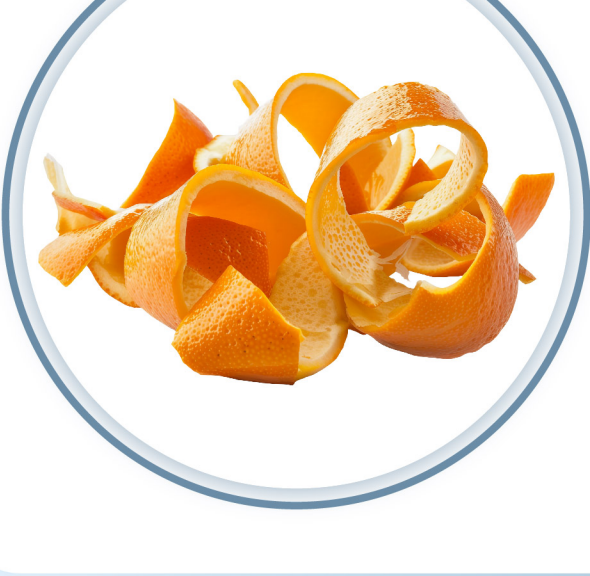

Sodium Hyaluronate

- Deep hydration smooths fine lines.

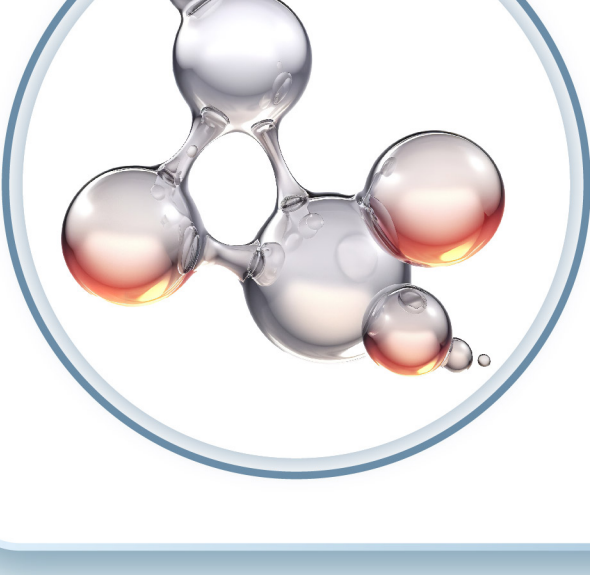

Squalane

- Prevents moisture loss, improving skin hydration and repairing the skin barrier, making skin look younger.

Citrus Aurantium Dulcis (Orange) Peel Oil

- Promotes skin lightening and delays aging by reducing free radical damage.

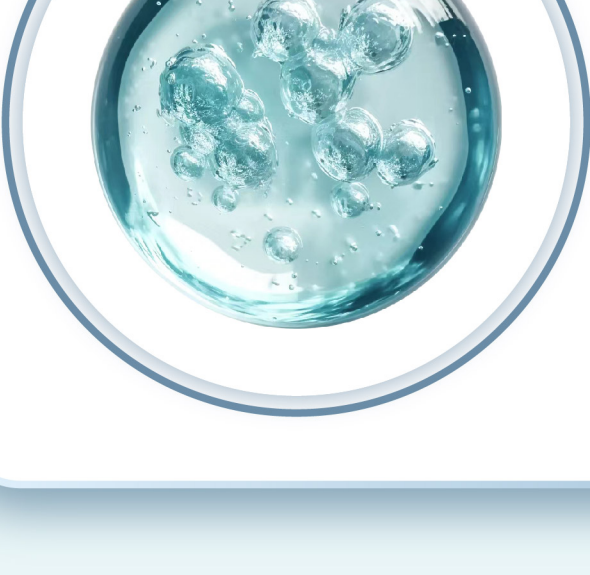

Niacinamide

- Brightens skin by regulating melanin, clearing hyperpigmentation, and evening skin tone.

Alpha-Arbutin

- Potent whitening agent that reduces UV-induced pigmentation for a brighter complexion.

Glutathione

- Reduces wrinkles and fine lines by protecting against oxidative damage.
